

“He was buried, and he was raised from the dead on the third day, just as the Scriptures said.”
” 1 Cor. 15:4

Happy Easter to everyone! Easter is one of the most festive events among Christians worldwide. We commemorate Jesus’ resurrection from the death and most Christians considered it as the greatest feast of the Church. The Resurrection of Jesus has a significant relevance in our Christian faith. We believed Jesus Christ as a divine being. The fact that he died on the cross and raised from the dead proved his holy nature as God. Christ’s Resurrection proved his power to forgive sins.

1 Corinthians 15:17

“If Christ has not been raised, your faith is worthless; you are still in your sins”

His rising from the dead proved his authority and power to free us from the bondage of sins, an assurance of forgiveness and invites us to acknowledge his gift of salvation. The same power that raised Jesus Christ, the power that conquered death is the same power that a Christian believer will receive to live a new life. It simply means that our sins have no power to hold us.

The Easter season reminds us to renew our hope and reinvigorate our faith. The hope of Easter invites us live with joy each and every day of our lives. A new hope that can inspire us to stay positive and faithful in facing our very own adversity. It is the hope which a believer embrace and grasp when one feels they are almost at the end of the rope. A hope that gives strength, courage, resilience and bravery.

Join me this Easter Season to celebrate God’s eternal love to all of us. A love like no other, a love that does not invite selfishness, a love that does not look at our performance, a love that is unconditional but merciful, a love that goes far beyond the greatest human capacity.

May you have a blessed Easter Season!

In Christ I served,
